\* The Liberal Party and the Social Democrat Party formed an alliance for the period 1981-1988. Candidates stood under various labels, such as "Liberal Alliance" and "SDP/Liberal" during this period. "All" is used in all these cases. The parties merged in 1988 as the Social and Liberal Democrats in 1988, which was renamed as the Liberal Democrat Party in 1989. Some candidates who opposed the merger stood as SDP candidates in 1988.
